Education

National School of Computer Science (ENSI) <i>Engineering Degree in Computer Science</i>	2024 – Present Tunis, Tunisia
Preparatory Institute for Engineering Studies of Sfax (IPEIS) <i>Preparatory Cycle in Mathematics and Physics</i>	2022 – 2024 Sfax, Tunisia

Experience

Full-Stack Developer Intern <i>Groupe Chimique Tunisien (GCT)</i>	Summer 2025 Tunisia
– Developed a web platform for managing purchase requests, orders, and procurement workflows. – Designed and implemented RESTful APIs using Node.js and Express. – Integrated a PostgreSQL database and developed analytical dashboards for monitoring operations.	

Projects

INORA – AI-Powered Assistive System for the Visually Impaired YOLO, PaddleOCR, Piper TTS, Vosk	
– Developed an embedded AI assistant designed to improve the autonomy of visually impaired individuals. – Implemented obstacle detection and banknote recognition using YOLO-based computer vision models. – Built a real-time OCR pipeline with PaddleOCR, including image enhancement and noise reduction techniques. – Integrated offline text-to-speech synthesis and multilingual voice command capabilities.	
AI Financial Analysis Assistant FastAPI, LangChain, OpenAI API, Python	
– Developed an intelligent backend powered by LLM agents with tool-calling capabilities. – Integrated real-time financial data sources and streaming AI-generated responses. – Designed a modular architecture enabling seamless integration of additional tools and data providers.	
CARA – E-Commerce Platform HTML, CSS, JavaScript, PHP	
– Collaboratively developed a complete e-commerce platform. – Designed responsive user interfaces and integrated relational database functionality. – Implemented product catalog and order management features.	

Technical Skills

Programming Languages: Python, C/C++, Java, JavaScript, PHP	Backend: FastAPI, Node.js, Express
Frontend: React.js, HTML, CSS, Tailwind CSS	AI / Data: YOLO, PaddleOCR, LangChain, OpenAI API
Databases: PostgreSQL, MySQL	Tools: Git, GitHub, Linux

Languages

Arabic: Native	English: C1	French: B2
